

Women's Honor Court

Additional Slabs

The Ohio Valley Art League (OVAL) and Henderson County are in the process of adding two granite slabs to the Women's Honor Court in which women's names may be engraved as part of a long-lasting memorial.

Those wishing to take advantage of this rare opportunity may do by providing OVAL with a onetime payment for each name in the amount of \$_____, made out to the Ohio Valley Art League.

Payments collected will be held in escrow by OVAL until funding has reached a sufficient level to set the slabs and complete the addition. If, for any reason, the funds needed are not raised within a reasonable amount of time, then any payments provided will be returned to the donors along with any interest accumulated. Completion of the form below and payment do not guarantee an engraved name, as there will be a limited amount of space available and requests will be accommodated on a first come, first serve basis. Any payments received for a request that cannot be accommodated will be returned.
