Discussion and Review of County Ordinances – Judge Schneider

Judge Schneider presented a copy of the proposed ordinance changes that had been suggested by the Ordinance Sub-Committee that had met previously.

Chapters 56 - 90 were reviewed by the Magistrates, Judge Schneider and County Attorney Steve Gold. It was discussed to remove the content of chapter 67 Purchasing and reference the County's Administrative Code under the chapter. It was verified by Treasurer Brenda Rider that this change would meet the auditors' guidelines as long as the purchasing procedures are spelled out in the Admin Code. All present agreed with this change. County Attorney Gold stated that we need to make sure that any changes that are made to later chapters that could affect chapters that we have already reviewed are noted and changes are made to the reviewed chapter. Only minor changes were recommended to the sections reviewed with the exception to chapter 67.

There being no further business to come before the court, Magistrate Puttman made a motion to adjourn. Seconded by Magistrate Berry.

Brad Schneider
County Judge Executive
